Ponteland High School

Callerton Lane, Ponteland, Newcastle Upon Tyne, NE20 9EG

Introduction

We actively encourage our pupils and staff to walk, scoot or cycle to school as doing so:

- Keeps us fit and healthy
- Helps our pupils develop road safety skills which will keep them safe as they travel further afield and more independently
- Helps keep our local air clean, and our streets free from congestion
- Teaches life skills that everyone should be able to benefit from.

What we do

- We use Modeshift STARS to update and monitor our school travel plan
- We promote safe and active travel as much as possible. In school, we use assemblies and tutor time to do this, as well as during some relevant lessons, and we communicate with parents via our website (www.ponthigh.org.uk) and regular newsletters.
- Wherever possible, school trips are made by public transport (usually by rail), and we will travel on foot if the destination is in Ponteland.
- We let all new pupils and their parents/carers know that we promote healthy and sustainable travel to school before the child starts at our school.

What we ask of parents.

- Please encourage your child(ren) to walk, scoot or cycle to school whenever possible
- Ensure your child(ren) walk or ride sensibly and safely on the way to and from school, and to push bikes and scooters on school grounds
- Ensure that bicycles and scooters are roadworthy and properly maintained. If in doubt, consult a qualified mechanic
- We encourage the safe use of a cycle helmet
- Ensure your child(ren) can be seen by fitting lights to their bike and by supplying them with high-visibility clothing
- Make sure your child(ren) has a lock for their bike or scooter and that they know how to use it
- Ensure you have appropriate insurance cover for your child(ren)'s bicycle or scooter as the school is not liable for any loss or damage to cycles or scooters on the premises or being used on the way to or from school

We understand that sometimes there is no alternative to driving to school.

- Where a car must be used, we ask parents to drive only part of the way, and drop their child(ren) off away from the school so that some of the journey can be walked or scooted
- If you do have to drive your child(ren) and stop in the near vicinity, please do so legally, safely and with respect for our neighbours and local residents
- It is not acceptable to park or wait on double yellow lines, on the school zigzags or across residential driveways for any period of time.

Please note that the decision on whether a child is competent to cycle or scoot to school is for the parent(s) or carer(s) to make.

The school has no liability for any consequences arising from this decision.

What we ask of pupils

- Ask your parents if you can walk, scoot or cycle to school
- Behave in a way that shows you and the school in the best light whether walking, scooting, cycling or using public transport
- Ride or walk courteously, sensibly and safely on the way to and from school
- Push bikes and scooters on school grounds
- Check that your bike or scooter is roadworthy and properly maintained
- Consider wearing a cycle helmet
- Make sure you can be seen by using lights in the dark or bad weather and by wearing high-visibility clothing
- Make sure you have a lock for your bike or scooter and that you use it
