

**Re: Application for Ponteland High School Sixth Form September 2026**

Dear parent

Thank you for registering your interest for your child to join our sixth form in September 2026. If you haven't already then please complete our Expression of Interest Form which can be found [here](#) or on the sixth form area of our website.

We are very proud of our sixth form, and are ambitious for our students. The quality of both teaching and pastoral care is excellent, and our students leave school well prepared for their lives ahead, whether that be in higher education, employment, or discovering the world.

As you will have seen from our website, in order to enrol, your child needs to achieve a minimum of 5 GCSEs at grade 4 or above, including English and Maths, and fulfil the criteria for the subjects they would like to study. This information is available on our website. Our students at Ponteland High School study 3 A-levels or equivalent, alongside the Extended Project Qualification or Core Maths.

In terms of welcoming external applicants to look around our school there are the following opportunities:

- There will be a Post 16 Options Evening on 15 January 2026 from 5.30pm - 7.30 pm and you are very welcome to attend
- There will be an open morning on Tuesday 10 March from 9.30 - 11.15 in school for you to come along and find out more about our post 16 provision. The morning will include meeting the sixth form team, speaking with current students, a tour of the school, and an opportunity to ask any questions you may have in a 1-2-1. All parents who have filled in the expression of interest form as mentioned above will receive an email in February 2026 to invite them to this event.
