18 March 2021

Dear Parents

Y11-13 Assessment information - Google Classrooms

As promised in my letter dated 12 March 2021, I am writing to share with you and your son/daughter the Class Codes to access the relevant Google Classroom.

We have set up three Google Classrooms; one for each of Y11, Y12 and Y13; please note that the Y12 information is for the small number of students sitting AS exams only. Within each Google Classroom you will find the following documents for each subject/course where assessments are taking place:

- 1. Subject Teaching Overview
a. This outlines the topics/content that has been taught and when
b. This breaks down topics/content into more specific detail to help direct revision
2. Assessment Week Signposting overviews
a. This identifies the topics/content to be assessed in each assessment week
3. Assessment Week timetable (Week A initially with B and C to follow)
a. This shares the overview of assessments
b. Each student will receive a personalised timetable as the organisation may require some students to change rooms (from their usual timetable) for an assessment

All students have been invited to their respective Google Classroom; they need to check their school email account to view this and accept the invitation. The information can also be accessed by using the Class Code below:

Table with 3 columns: Y11 Assessments - Summer 2021 (ktjq3ct), Y12 Assessments - Summer 2021 (acps3si), Y13 Assessments - Summer 2021 (ofq4tz7)

I would hope that you find it easy to navigate the Google Classroom but should you have any difficulties please do get in touch.

Yours faithfully

Kieran McGrane (handwritten signature)
