We have the following vacancy:

Required from September 2021 – a highly competent **Teacher of Science** (1 year fixed term contract)

A rare opportunity has arisen to join our strong and high achieving Science department. This post provides an excellent opportunity for ambitious NQTs committed to becoming outstanding teachers or colleagues seeking to further their experience in a very good school. The successful candidate will teach combined science to GCSE and a separate science subject at GCSE and A level.

In recent years the school has successfully navigated its way through some major changes. We became an 11-18 secondary school from September 2019 welcoming new year groups in Y7 and Y8; this expanded the school population to approximately 1600 students. Then, in November 2020 we moved into state-of-the-art school facilities to finally have an outstanding learning environment that both our students and staff deserve.

Our students make our school special; they are enthusiastic, talented and motivated to do well. We want the best for them and are looking to appoint a colleague who will add significant value to our school and support us in the drive to become truly outstanding.

How to apply:

1. Go to the school's home page, [www.ponthigh.org.uk](http://www.ponthigh.org.uk)
2. Go to 'About' then scroll down the list to 'Vacancies' to download the information
3. Email completed application to [c.barker@ponthigh.org.uk](mailto:c.barker@ponthigh.org.uk) by 3.00pm on Friday 21st May 2021

Interviews are scheduled to take place w/commencing 24th May 2021.
