Dear Parent

Careers Breakfast

After the success of our Career of the Week presentations, Ponteland High School are developing a Careers Breakfast programme, due to launch after the February half term.

The idea of the breakfasts is for around 20 pupils to meet with 5 professionals, willing to talk about their current job role, routes into it and to open a dialogue about the wealth of career opportunities available to our young people.

Our first Career Breakfast is due to take place on Tuesday 8 March 2022 from 9.00 – 9.30am. We are really keen to make full use of the knowledge and expertise of our parent body and are therefore keen to hear from any parents willing to volunteer their time to take part in the breakfast. If you'd be interested in attending a Career Breakfast, please contact a.makepeace@ponthigh.org.uk with a brief description of your job role. We hope the event will be popular amongst pupils so if you are unable to attend our breakfast on the 8 March but would be keen to take part in future events, please specify this in your email.

We appreciate your support in delivering outstanding careers education to our pupils and look forward to hearing from the diverse workforce of our parent body.

Yours faithfully

A Makepeace
