We have the following vacancy:

Required from September 2022 – a dynamic and inspiring

Raising Achievement Coordinator - English

(MPS/UPS plus TLR 2b £4785 pa); permanent, full time contract

We are looking to appoint an excellent and committed teacher of English to provide high quality support for the leadership of the subject, working closely with the Raising Achievement Leader to help drive further improvements in our school. You will be joining an already highly successful, experienced and forward thinking department. This is a key role in our school and you will play a pivotal role in the desire to make our school truly great.

In recent years the school has successfully navigated its way through some major changes. We became an 11-18 secondary school from September 2019 welcoming new year groups in Y7 and Y8; this expanded the school population to approximately 1600 students. Then, in November 2020 we moved into state-of-the-art school facilities to finally have an outstanding learning environment that both our students and staff deserve.

Our students make our school special; they are enthusiastic, talented and motivated to do well. We want the best for them and are looking to appoint a colleague who will add significant value to our school and support us in the drive to become truly outstanding.

We are dedicated to safeguarding and promoting the welfare of children and expect all staff to share this commitment. The successful candidate will be subject to enhanced clearance through the Disclosure and Barring Service
